

STAGING SERVICES  
 WELCOME TO THE JUNGLE

A jungle or rainforest is land covered with unruly and dense vegetation dominated by trees. The mysterious and perilous, qualities of the jungle have inspired authors and film makers for many years; with the Amazon jungle being known as the most illustrious and trepid.

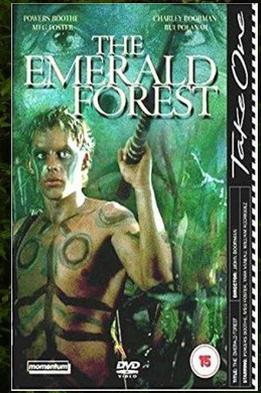

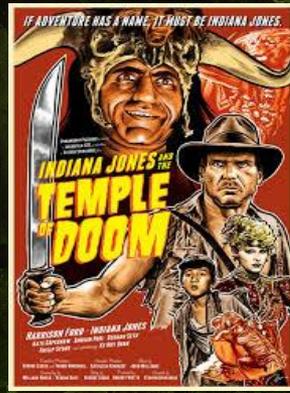

Story's such as Jungle book and Tarzan became worldwide phenomena's along with films such as Romancing The Stone, Indiana Jones and The Temple of Doom, depicting plenty of jungle action and adventure.

The jungle is, and has, been home to ancient civilizations with the remains of temples and lost cities been found in jungles and rainforests around the world. In the depths of the Amazon rainforest in Brazil live tribes who have literally no contact with the outside world.

Staging Services has wide variety of Jungle props and accessories to help you create the perfect Jungle themed event.

Below: Staging Services creates the lost cities of the jungle with life-sized entrance features and statues.
